

PLUCKERS JM SERIES & JMD2

Rely on **Meyn Pluckers**

- ✓ Reliable solutions ensure production continuity
- ✓ Easy access for cleaning and maintenance
- ✓ Proven technology – 800+ units sold worldwide

MEYN[®]

Optimize Efficiency with **Reliable Meyn Pluckers**

Choose Meyn Pluckers for seamless, stress-free operation.

Designed for continuous duty, they deliver consistent defeathering without compromising product quality.

The JM64 Plucker is typically positioned first in the line, efficiently removing the bulk of the feathers. Downstream, the JMD2 Plucker provides enhanced adjustability to target key areas for a cleaner finish.

Experience industry-leading quality for your operation

Our expert engineers help you define the optimal configuration for your process. Proven worldwide with 800+ units sold, Meyn Pluckers are engineered for reliable, consistent performance.

Built-in tilting cabinets enable quick service access for cleaning and maintenance and provide full visibility and reach to the plucking disks.

A durable flat belt drive powers each disk, helping prevent a jam at one position from blocking the rest of the bank while also reducing noise.

Product specifications

JM32 and JM64

JMD2

Model		JM32	JM64	JMD2
Live weight	kg	1.0-5.0	1.0-5.0	1.0-5.0

Option: Lower beam		N/A		

What's your **next move?**

Meyn® Consultancy & Audits

- Enhance your operational efficiency
- Expand your production capabilities
- Identify new market opportunities

Meyn® Academy

- Safeguard investments and enhance profitability
- Specific system and machine training
- Customer specific training options

Meyn® demo's

- Products, services and insights
- Tailormade demo's based on your needs
- Available online in multiple languages

Secure **business continuity**

Meyn Services provides comprehensive support to optimize the performance and reliability of Meyn equipment.

With a strong emphasis on global reach and local presence, Meyn offers various services to ensure customer satisfaction and operational efficiency.

Technical Support

- ✓ Global assistance
- ✓ Corrective and preventive services
- ✓ 24/7 Helpdesk

Maintenance

- ✓ Tailored maintenance
- ✓ Updates and inspections
- ✓ Machine maintenance

Parts

- ✓ OEM replacement parts
- ✓ Always available
- ✓ eProcurement portal
